

The Love of Wisdom

A Christian Introduction to Philosophy
by Steven Cowan and James Spiegel

ABOUT THE BOOK

Philosophy is defined as the love of wisdom, and college students will certainly admire this Bible-informed introductory level textbook's fun approach to an often heady subject. *The Love of Wisdom* is made distinct in its engaging style that includes humor and copious popular culture illustrations to heighten reader interest and clarify important concepts. The book even addresses two key topics often omitted by other texts: political philosophy and aesthetics (beauty and the arts). Students and teachers can also make great use of the study questions for each chapter, a glossary of terms, and further reading suggestions.

BEST-SELLING POINTS

- This Christian-based introduction to philosophy textbook is all the more appealing to its student audience for including humor and popular culture illustrations to teach important concepts.
- Connects well to the growing popularity of apologetics-themed books and Bibles.
